

MEMOIR MINI-COURSE WORKSHEET

Three essential things you must have in your memoir

Something that happened...

What are the events that you want to write about in your memoir?

Something that happened to you...

What part of yourself do you think it's important to show in your memoir?

What part are you a bit scared to show?

Something that happened to you, and how it changed you...

Think about yourself at the beginning of the events, and then again at the end. How were you different when they were over?

What did you learn from what you went through?

Video 3 of the Memoir Mini-Course arrives in your inbox tomorrow.
